TERMS AND CONDITIONS

Stark Bro's N. & O. Co., accepts this order under the following terms and conditions:

Prices in this list are Net, stock is to be delivered f. o. b. cars at our nursery—there our responsibility ends, the purchaser assuming all the risk and responsibility of carriage and delivery by the transportation company. If stock damaged in transit make claim for damage to transportation company. They are responsible.

We have this season the largest and most complete stock of nursery trees in America, but because of the unprecedented shortage and the greatest demand we have ever experienced many sorts will sell out very early and it may be necessary to make some changes in size and variety ordered, unless customer definitely states it will not be permitted. Any changes made will be under the direction of our expert trained men, and equal or superior sorts will be sent. If this is not agreed to, customers may be disappointed, as we may be forced to hold up shipment of all or part of their orders until another season.

We do not replace stock that fails to live. Possible neglect of planter and unavoidable climatic conditions prevent our guaranteeing our trees and plants to live. We deliver the stock to the Transportation Company in good condition; our responsibility ends there. Our just and liberal dealing since 1816 is our strongest assurance to customers.

NON WARRANTY: In the event that any nursery stock sold by us should prove untrue to name under which it is sold, we hereby agree on proper proof of such untruthfulness to name to replace the original order or to refund the purchase price of that portion of the order proven un-

true to name. Except for such liability, and in respect to all nursery stock sold by us, we give no warranty, express or implied, as to description, quality, growth, productiveness or any other matter.—Stark Bro's Nurseries & Orchards Co.

Small Orders—Because of the present high cost of labor, packing material, etc., we cannot handle at a profit order, for less than \$5.00.

Non-delivery of stock is excused in case of fire, frost, floods, drouth, strikes, shortage of nursery stock or other causes beyond seller's control.

Parcel Post—2 to 3 ft. trees can be sent by Parcel Post.

Larger trees exceed the limit of size and weight, which is 20 pounds. When ordering Parcel Post, include 4c per tree or plant extra, to cover cost of mailing, or, we will forward mail collect, so you can pay your postmaster.

Prices—Rates: When buying apple, pear, peach, quince, cherry, crab apple, plum, apricot, dwarf pear and dwarf apple, note following explanation:

100 Rate—30 (or more) trees of a kind (as 30 apple, 30 cherry) but not less than 10 of a variety.
